THE END

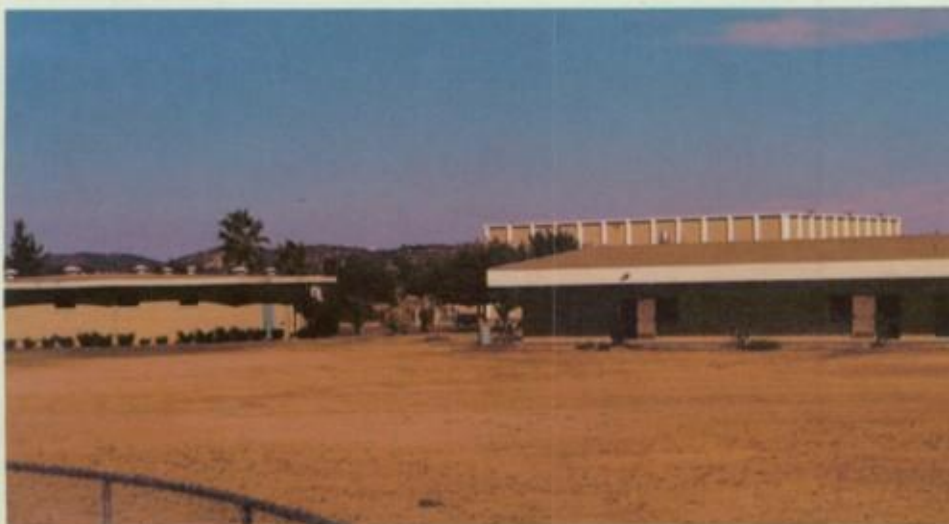

The soil for "IT" was prepared by the

RHS was built and opened for student use in 1968. There were four buildings: the Business/Food Trades wing, the Office wing, the Library, and the Gym. There were 22 classrooms for 330 students. Since, there have been several additions to the school. In "77" the Shop wing and in "78" the English wing was added. There are now 55 classrooms serving 1,015 students. You've come a long way RHS.

Building of RHS in 1968,

AND IN 1977

THE SEED

IN 1977 THE CLASS OF "81" CAME TO RHS AS FRESHMEN, "IT WAS A YEAR OF NEW SURROUNDINGS AND GROWTH. HIGH SCHOOL WAS NOT AS DIFFICULT AS HAD BEEN FEARED, NOR AS EASY AS HAD BEEN WISHED, BUT ALL IN ALL, IT WAS FUN.

THROUGH 1978 AND 1979 THE CLASS OF "81" CONTINUED TO GROW, TO GET INVOLVED, AND TO FLOURISH. THERE WERE GOOD TIMES AND BAD TIMES AND "81" TOOK THEM ALL IN STRIDE WORKING TOWARDS THEIR SENIOR YEAR.

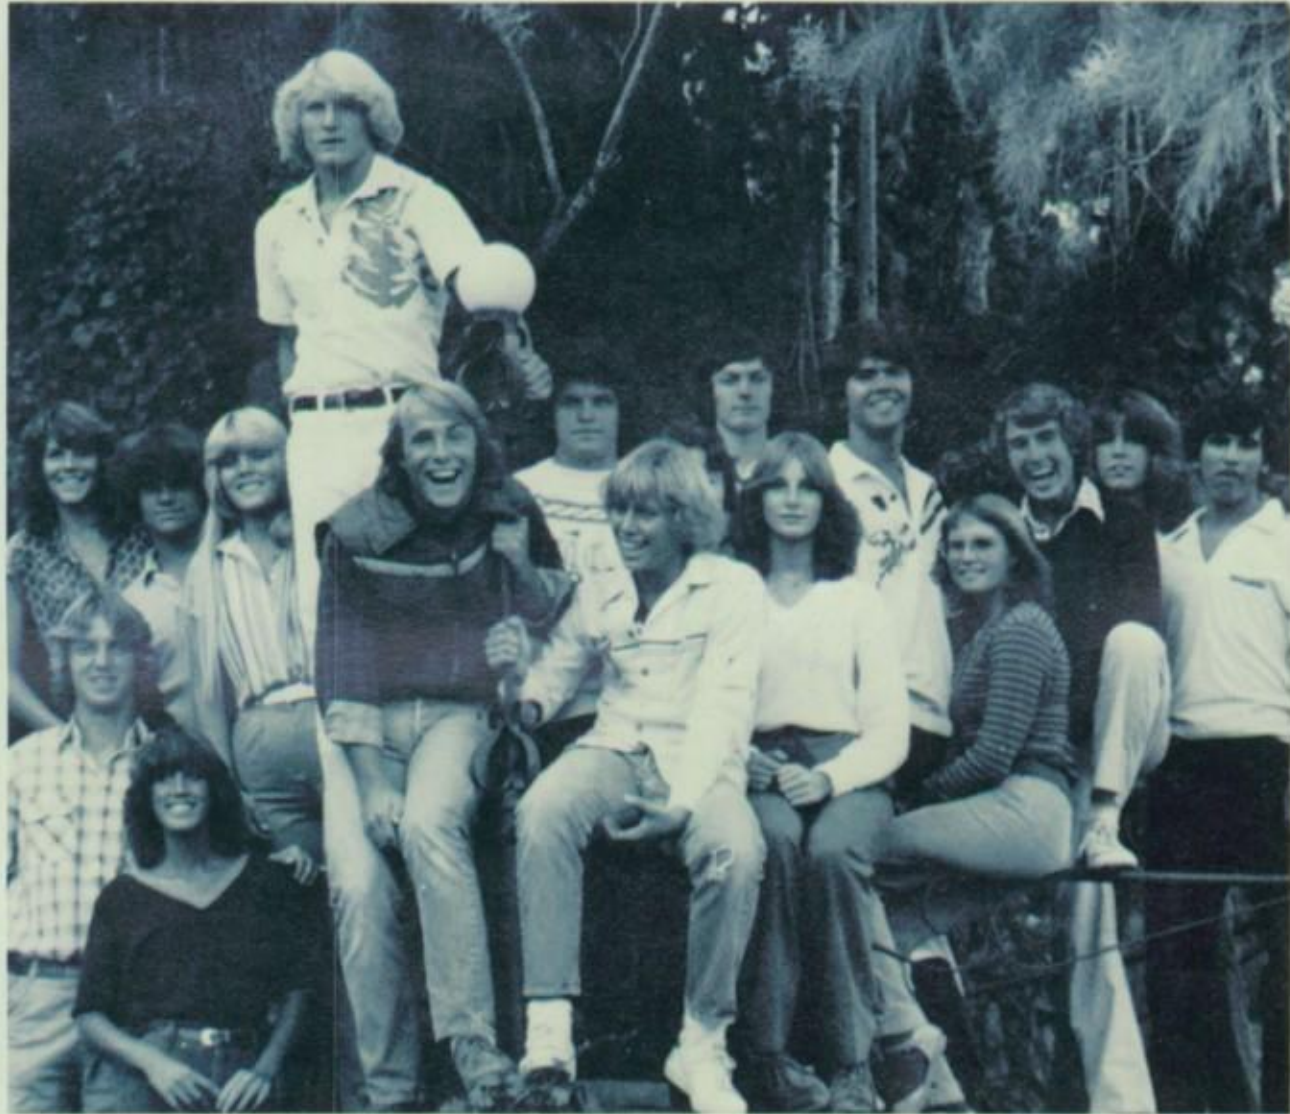

WELL, THIS IS IT! THE 1980-81 SCHOOL YEAR IS REALLY HERE. THIS IS A YEAR OF DECISIONS AND EVEN WORK, BUT MOSTLY IT IS A YEAR OF FUN. ENJOY YOUR SENIOR YEAR, CLASS OF 1981, YOU HAVE FINALLY MADE "IT".

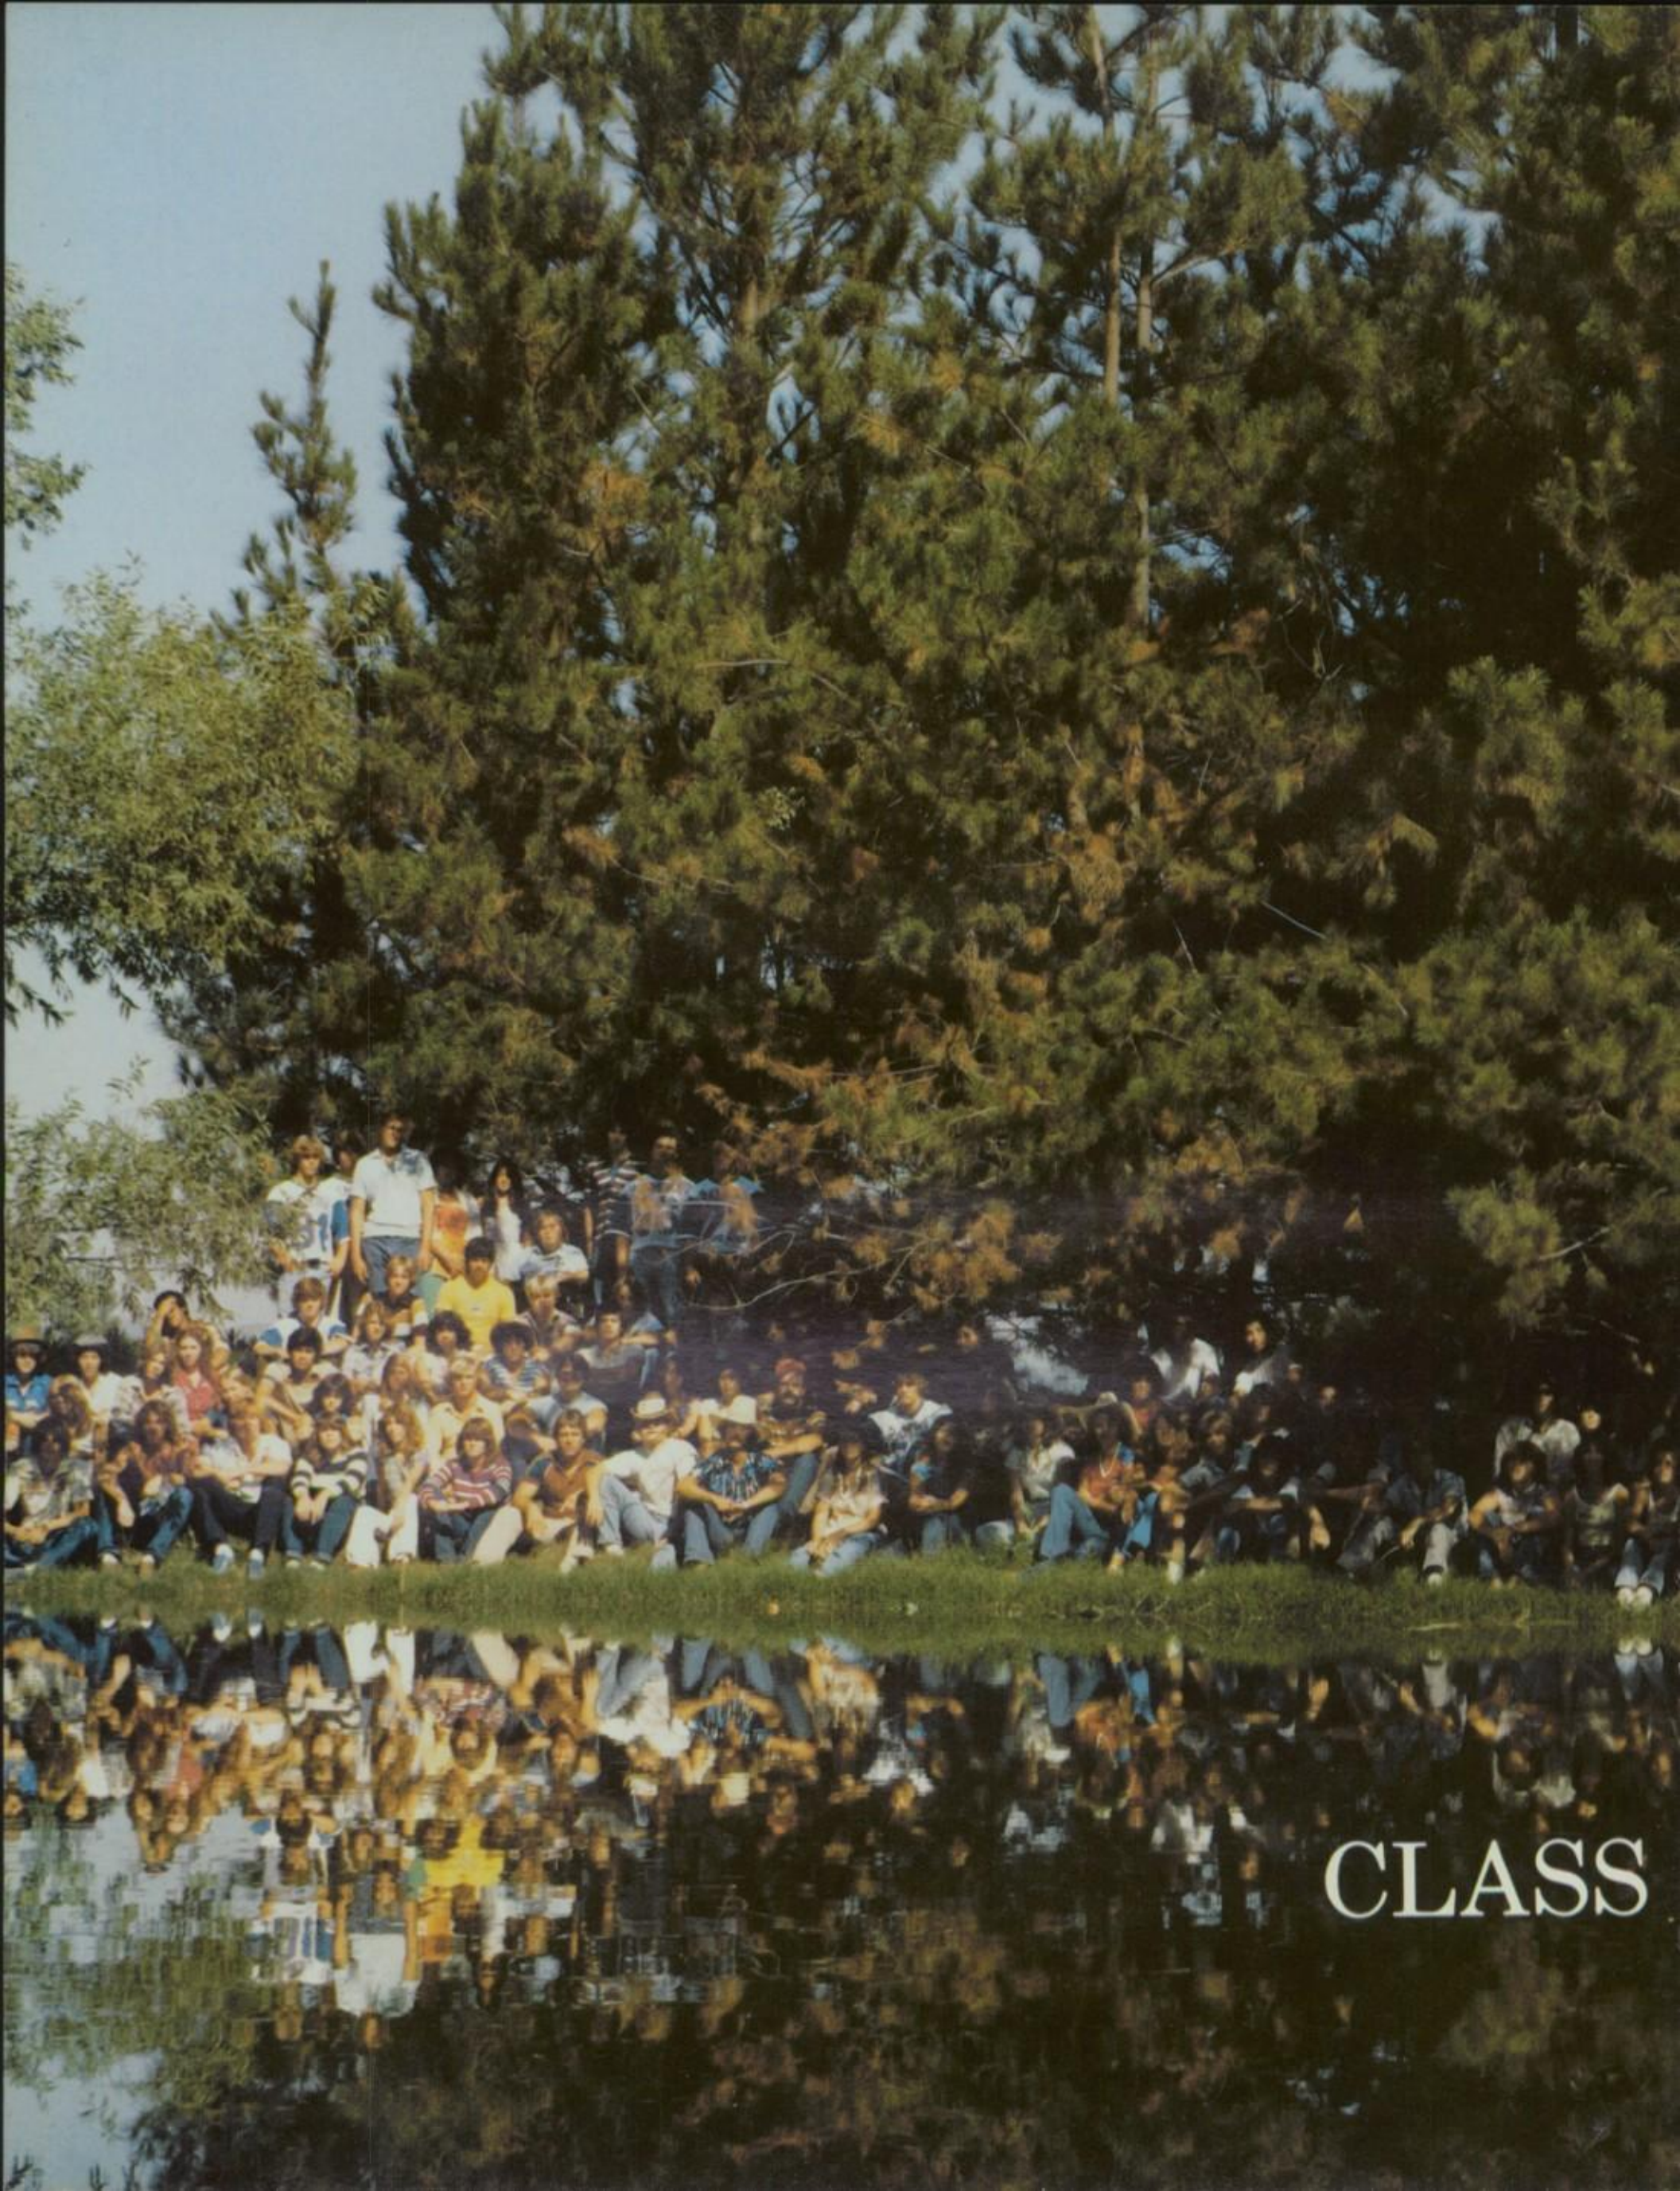

OF

“IT” WAS PLANTED.

CLASS

OF 81

1978 SAW "IT" REACHING

Since its appearance in 1978 the class of 1982 has added color, spirit, and life to the RHS campus. Spirit and life are what this school is abounding in and, indeed, the class of "82", you have helped create the atmosphere responsible for the greatness of "IT".

FOR THE SUN, BEGINNING TO BLOOM,

AND ON THE VERGE OF

ONLY LAST YEAR 1979 THE CLASS OF 1983 BEGAN TO ACCUSTOM ITSELF TO HIGH SCHOOL LIFE AND SURROUNDINGS. BOTH AS FRESHMEN AND AS SOPHOMORES THE CLASS OF "83" HAS EXHIBITED TRUE "BULLDOG" SPIRIT. SPIRIT IS WHAT THIS YEAR IS MADE OF AND, CLASS OF 1983 YOU ARE A PART OF "IT".

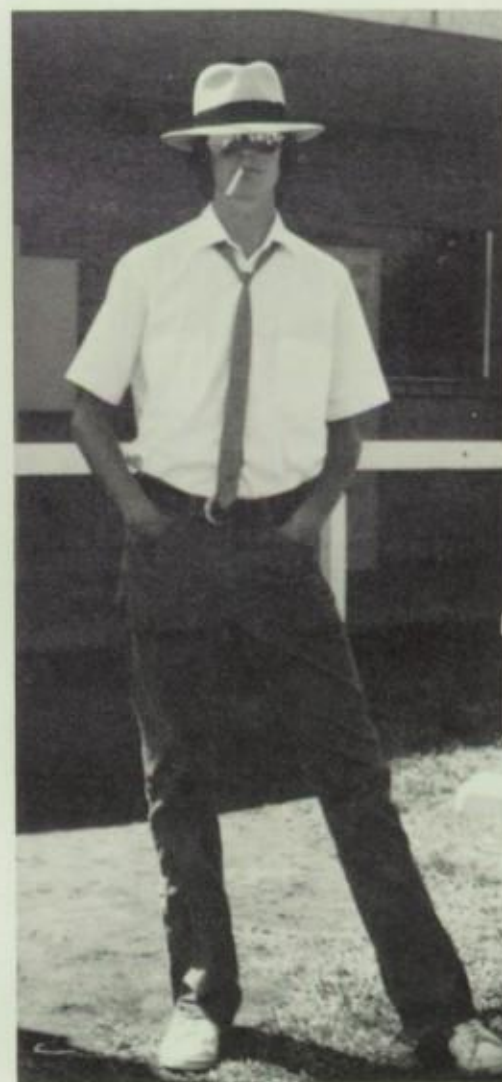

BUDDING, 1979

SAW "IT" COMING ALIVE!

THIS IS "IT"

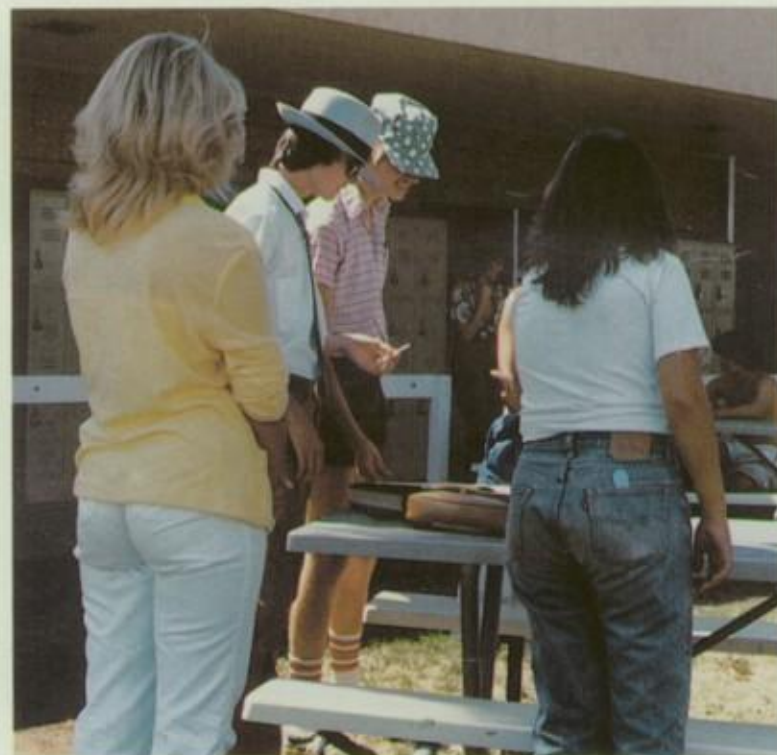

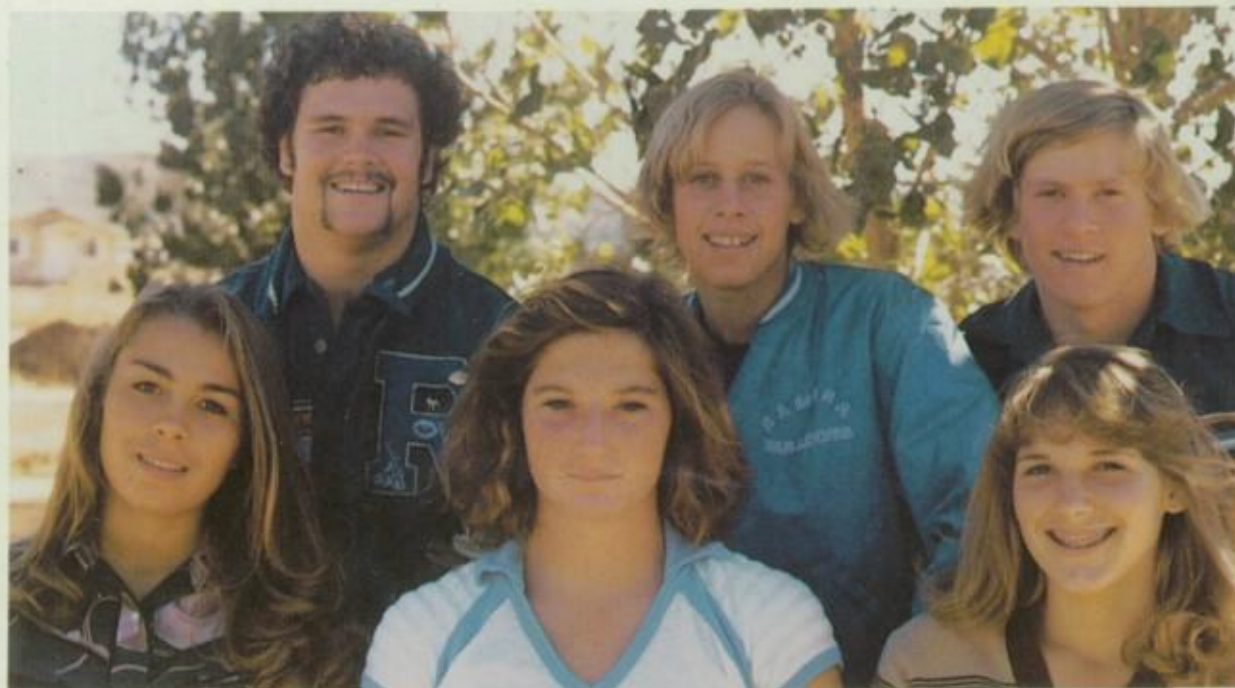

1981 IN FULL BLOOM!

SENIORS

Class of 1981, you have had a memorable year. Never in the history of RHS has there been a class that has brought as much vitality.

Seniors, be proud as you leave these years behind and move into the world that you left a lasting impression on RHS. Your spirit and vitality has set a precedent for the future classes to come. Good Luck in the future and keep up the spirit that has kept you going. May it never die.

SOPHOMORES

Though the Sophomore year is a neither here nor there year, the Class of 1983 used the 1981 school year to firmly establish the character and vitality which is much a part of it. Displaying the spirit that it did, there can be no question that the class of "83" deserves to be mentioned and remembered for helping to make this the best year ever. Good Luck, Class of 1983.

Mr. Bill-Principal

Many school principals are accused of being outsiders, unknowns, figureheads, and non active members of the establishment. Not so with RHS' active principal, Mr. Bill. Intensely interested in student activities, morale, and problems, Mr. Bill was always to be seen. Whether he was teaching Math, discussing campus problems, supervising Homecoming activities, wearing his "Oh no! Mr. Bill" shirt, or being bombarded with a pie, Mr. Bill Always showed concern for RHS students and staff. The RHS Yearbook Staff would like to thank him for helping contribute Bulldog spirit to the 1981 year. Without him "It" never would have been the same.

Mr. Alva

As Vice-Principal of RHS Mr. Alva put in many long hours and much over time. Dedicated to keeping conflicts between RHS students, staff, and administrators to a minimum, he was ever cheerful, helpful, and watchful. Mr. Alva's bright smile and sunny disposition made life a little easier and his help in creating this school year was sincerely appreciated.

VARSITY FOOTBALL

In his third year at RHS as Head Coach, Jack Menotti put together a small but talented and courageous team. Coach Menotti was assisted by coaches Bill Clark, Joe Lucia, and Ed Anderson.

Highlighting a very respectable Bulldog season was the record breaking aerial displays of Trent Annicharico, Quarterback, and Dave Medina, Wide Receiver. They broke CIF records for passing and receiving.

Awards were given to the following team members: Trent Annicharico, Most Valuable Player; Joel Ravy, Team Captain; Dave Medina, Most Inspirational; Chris DeLong, Defensive Player of the Year, Tony Guglielmenti, Offensive Player of the Year.

Congrats team and coaches for a fine year!

JUNIOR VARSITY

Ffosh Coach- Bill Tamburrino

AND FRESHMAN FOOTBALL

VOLLEYBALL

The 1980-81 Varsity Volleyball Team at RHS exhibited spirit, skill and determination by playing a good season. Louanna Barnes coached a hard working, well playing team, consisting of: LeAnne Lapp, Dobbie DeStefani, Lisa Cronin, Linda Hutto, Bobbi Smith, Lauri Smith, Cindy Nicholson, Jacki Olmos, and Kim Failla.

Under the direction of a new coach, Darlene Jackson, the J.V. Volleyball team had a rewarding year.

Grinding hours (RUN!), agonizing pain (RUN!), grueling work (RUN!), Puuff, huuff. More hours (RUN!), more pain (RUN!), more work (RUN!). Huff, puff. Work, puff, run, puff, work, puff, run, huff, work, huff, huff, run, run, RUN!!!

Ask a RHS Varsity Cross Country runner what it takes to become League winners. He might suggest talent, skill, dedication, effort, spirit, and a touch of insanity. In reality it takes dedication, skill, effort, spirit, and, of course, a mild touch of insanity.

It is a fact that the Bulldog Harriers put fourth undeniable effort to win league finals. Each runner ran many hours training and building his endurance. Each runner put forth his best foot-right, left, right- and exhibited true Bulldog spirit, the spirit of competition.

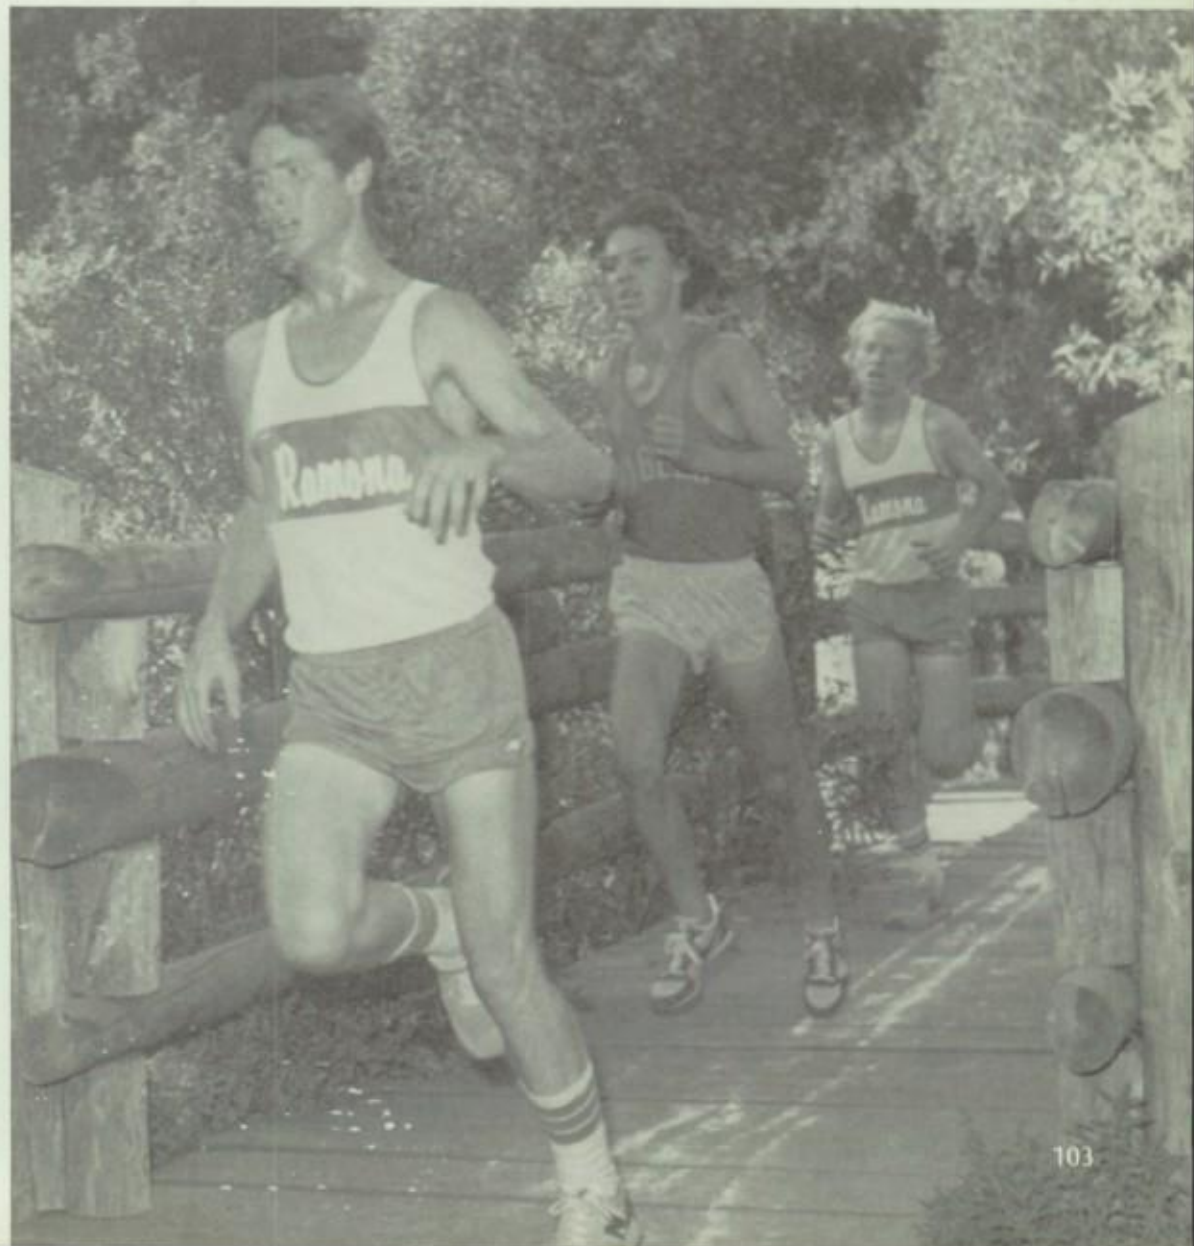

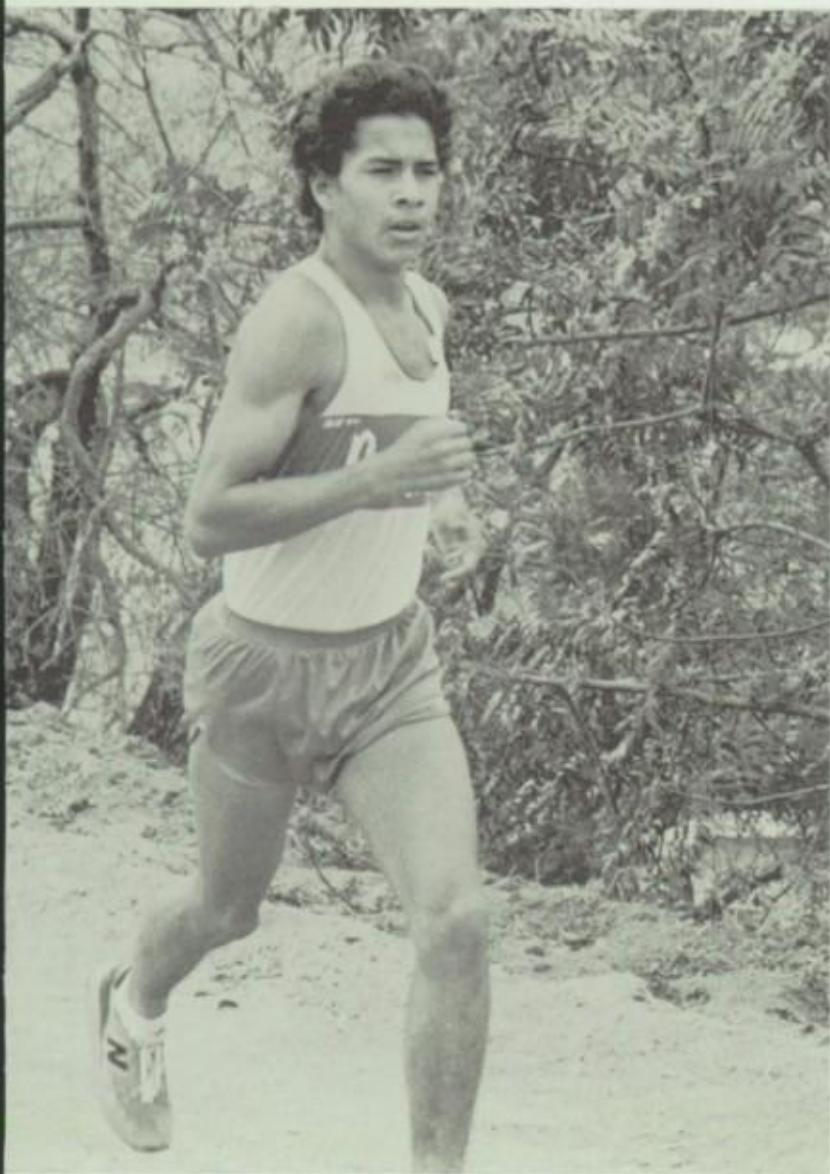

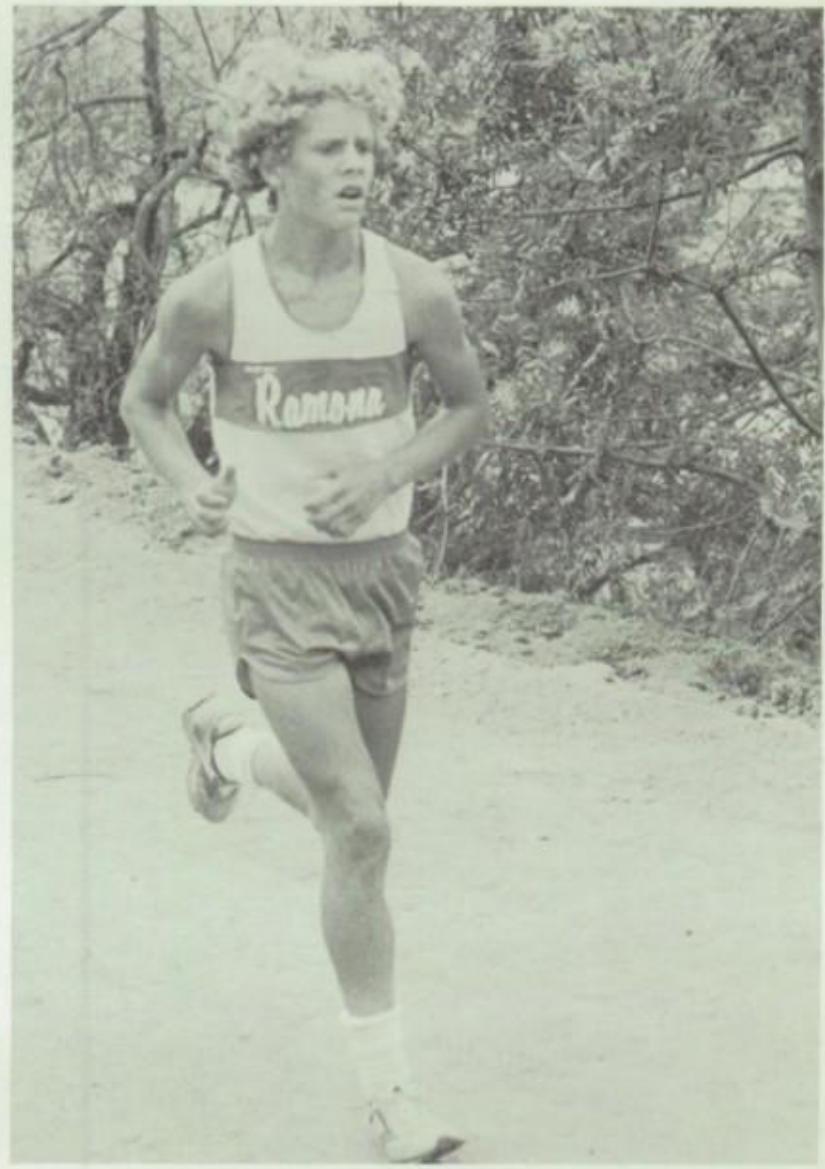

Varsity runners were: Jim Graham, Richard Marmolejo, Mike Curtiss, Bill Koenig, Mario Balcom, Tim Glaudini, Dan Brinkmeier, Jim Plunkett.

RHS is looking forward to the years to come when these determined and distinguished runners carry on the tradition that this years Varsity Team began- that of placing first in League Finals.

JAMIE, ALONG WITH KRISTY WILSON, A JUNIOR, AND KERRY BECK, A FRESHMAN, QUALIFIED FOR CIF FINALS. THESE GIRLS PLACED 20th, 21st, and 40th RESPECTIVELY IN THAT RACE WHICH REPRESENTS A COMPETITION AMONG THE FINEST RUNNERS IN SAN DIEGO COUNTY. ALL IN ALL IT WAS A FINE AND REWARDING SEASON.

This years Varsity Basketball team had an exciting season. Under the direction of Coach Bringham the team excelled and showed much skill. The team standouts were Trent Annicharico, Sergio Castellanos, and Russell Swier. The hard working Basketball team was a definate crowd gatherer and it generated unmeasurable school spirit and enthusiasm.

JUNIOR VARSITY AND FRESHMAN BASKETBALL

Junior Varsity and Freshman Basketball team members Exhibited much spirit and skill during the 1981 season. The teams put in many hours of practice learning new skills and developing strength in old ones. The JV coach helped his team gain experience while the Frosh coach built up the level of competence in Freshman players. Both teams members showed promise of becoming outstanding Varsity players of the future.

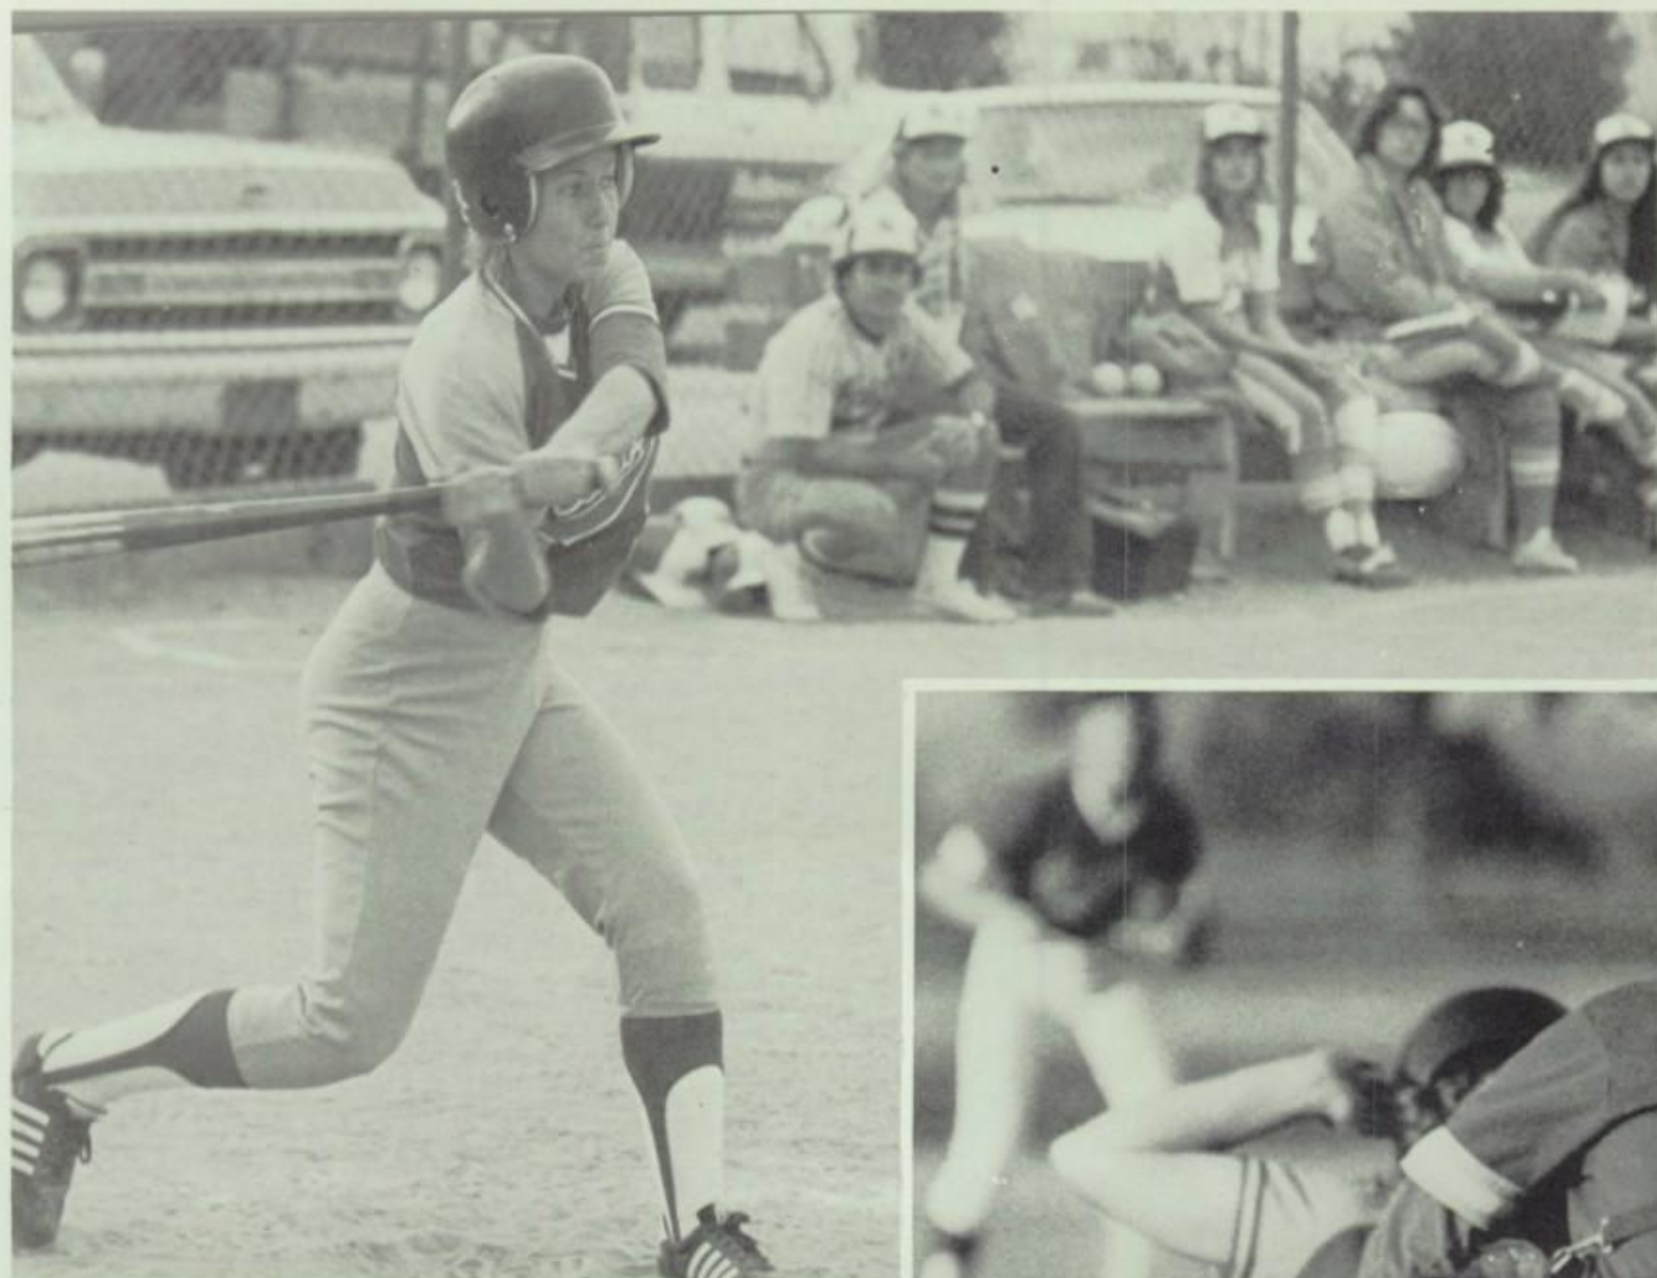

VARSITY AND JV SOFTBALL

The Ramona High School girls softball teams showed much enthusiasm and team effort. The coaches Lou Ann Barnes and Mrs. Jackson worked with the girls to keep the spirit and skill at a high.

SOCCER

There is not much that can be said about RHS Soccer other than the fact that during the Soccer season RHS spirit was truly exhibited. No, there is more to say. 1981 Soccer was HOT! With outstanding players working to their limits of capability, experienced coaches dedicatedly coaching, and all of RHS holding its breath, how could they lose? They couldn't and didn't!

ACTIVITIES

PEP ASSEMBLIES

PEP ASSEMBLIES ARE SUPPOSED TO BE FUN AND ENTERTAINING. THIS YEARS PEP ASSEMBLIES WERE AND THEY ALSO BUILT SPIRIT AND ACTIVATED STUDENTS.

WITH THE CHEERLEADERS, DRILL TEAM, FLAG CORPS TEAM, AND COACHES POOLING ALL THEIR ENERGIES INTO CREATING TRUE BLUE BULLDOG SPIRIT THERE WAS NEVER A DULL MOMENT. (HOW COULD THERE BE?) INFAC, THERE WAS MORE SPIRIT ON THE RHS CAMPUS, MORE STUDENTS AT THE PEP ASSEMBLIES, AND MORE PEOPLE AT THE GAMES THAN EVER BEFORE.

HOMECOMING WEEK WAS PLANNED BY THE ASB TO BUILD AND GENERATE ENTHUSIASM. AS A PERSON GLANCED AROUND HE COULD SEE THAT IT WAS A SUCCESS, FOR SPIRIT AND ENTHUSIASM WERE INDEED EVIDENT. ALL WEEK RHS STUDENTS PARTICIPATED IN MANY VARIOUS ACTIVITIES.

WEDNESDAY THERE WAS A POWDERPUFF PEP ASSEMBLY AND IN THE EVENING, THE SENIORS TROMPED THE JUNIORS 44-14. FINALLY, ON FRIDAY THE WEEK WAS BROUGHT TO AN END BY AN ASB SPONSORED BARBECUE, AND THE ANNUAL HOMECOMING PARADE.

SENIORS POWDER

The Class of "81" won the Powder Puff game by "powdering" the Juniors 44-14. The Seniors worked hard in practice and had outstanding coaches. The hard work and excellent coaching was evident by the way the Senior girls played as well as by the score.

The Senior offense was tough; quarterback Ann Marie Cecero threw some great passes and Laura Friery received scoring a couple of touch downs. The defense was tough too, it kept the Juniors to only 2 touchdowns.

The captains of the Senior team were: Offense - Ann Marie Cecero, Defense - Ann Smith, and Team Captain - Chris Awbrey.

JUNIORS PUFF

The Class of "82" did not win the Powder Puff game, but the girls that played showed unbeatable spirit. With an offense consisting of excellent players such as Karen Danielson, Salena Stanley, Lisa Walker, and Marie Elliott, Adrianna Elliott the Juniors did score twice. The defense standouts were Kanoi Williams, Kim Johnson, Sharon Temple, Kathy Tobiason, Dinah Smith, and Kris Dowle.

Though the Class of "82" lost this years Powder Puff game there is no doubt that they put up a good fight!

HOMECOMING

In anticipation of the Homecoming Game and the evening's half time ceremonies, the RHS student body, at the end of a shortened school day, had a Pep Rally, an ASB bar-b-que, a musical presentation by Chuck Bailey, and the landing of Ski Divers on the football field.

The Homecoming parade began downtown Ramona at 1:00 PM. In the parade were floats (one each from the Classes of '81, '82, '83 and '84), trucks carrying class members, and the procession of the 1980-81 Homecoming Court. The float competition winner was the "Class of 1981."

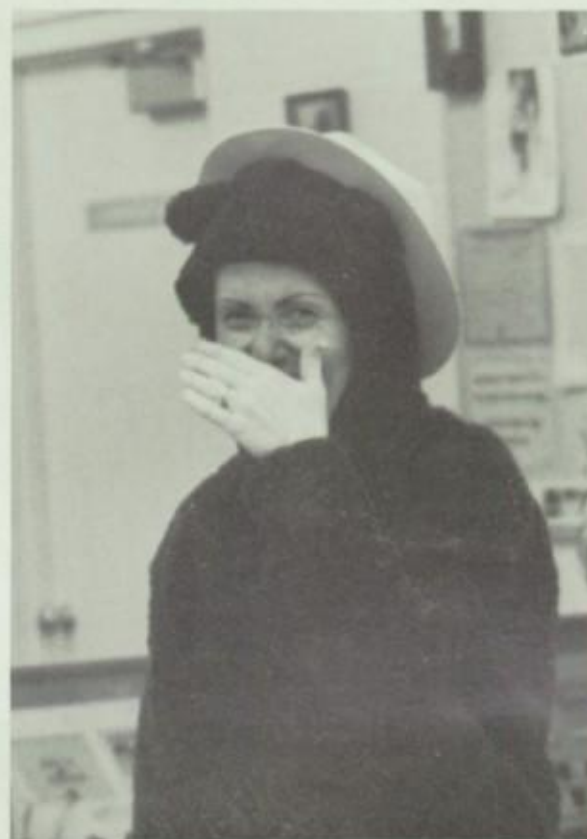

Later that evening during the game half time, the real Homecoming festivities began. The coronation parade around the field pre-

sented the class floats and the Homecoming Court. Next the Homecoming King and Queen were crowned - Trent Annicharico, King, Monica Shirley, Queen. Then fireworks, presented by the ASB, topped off the half time.

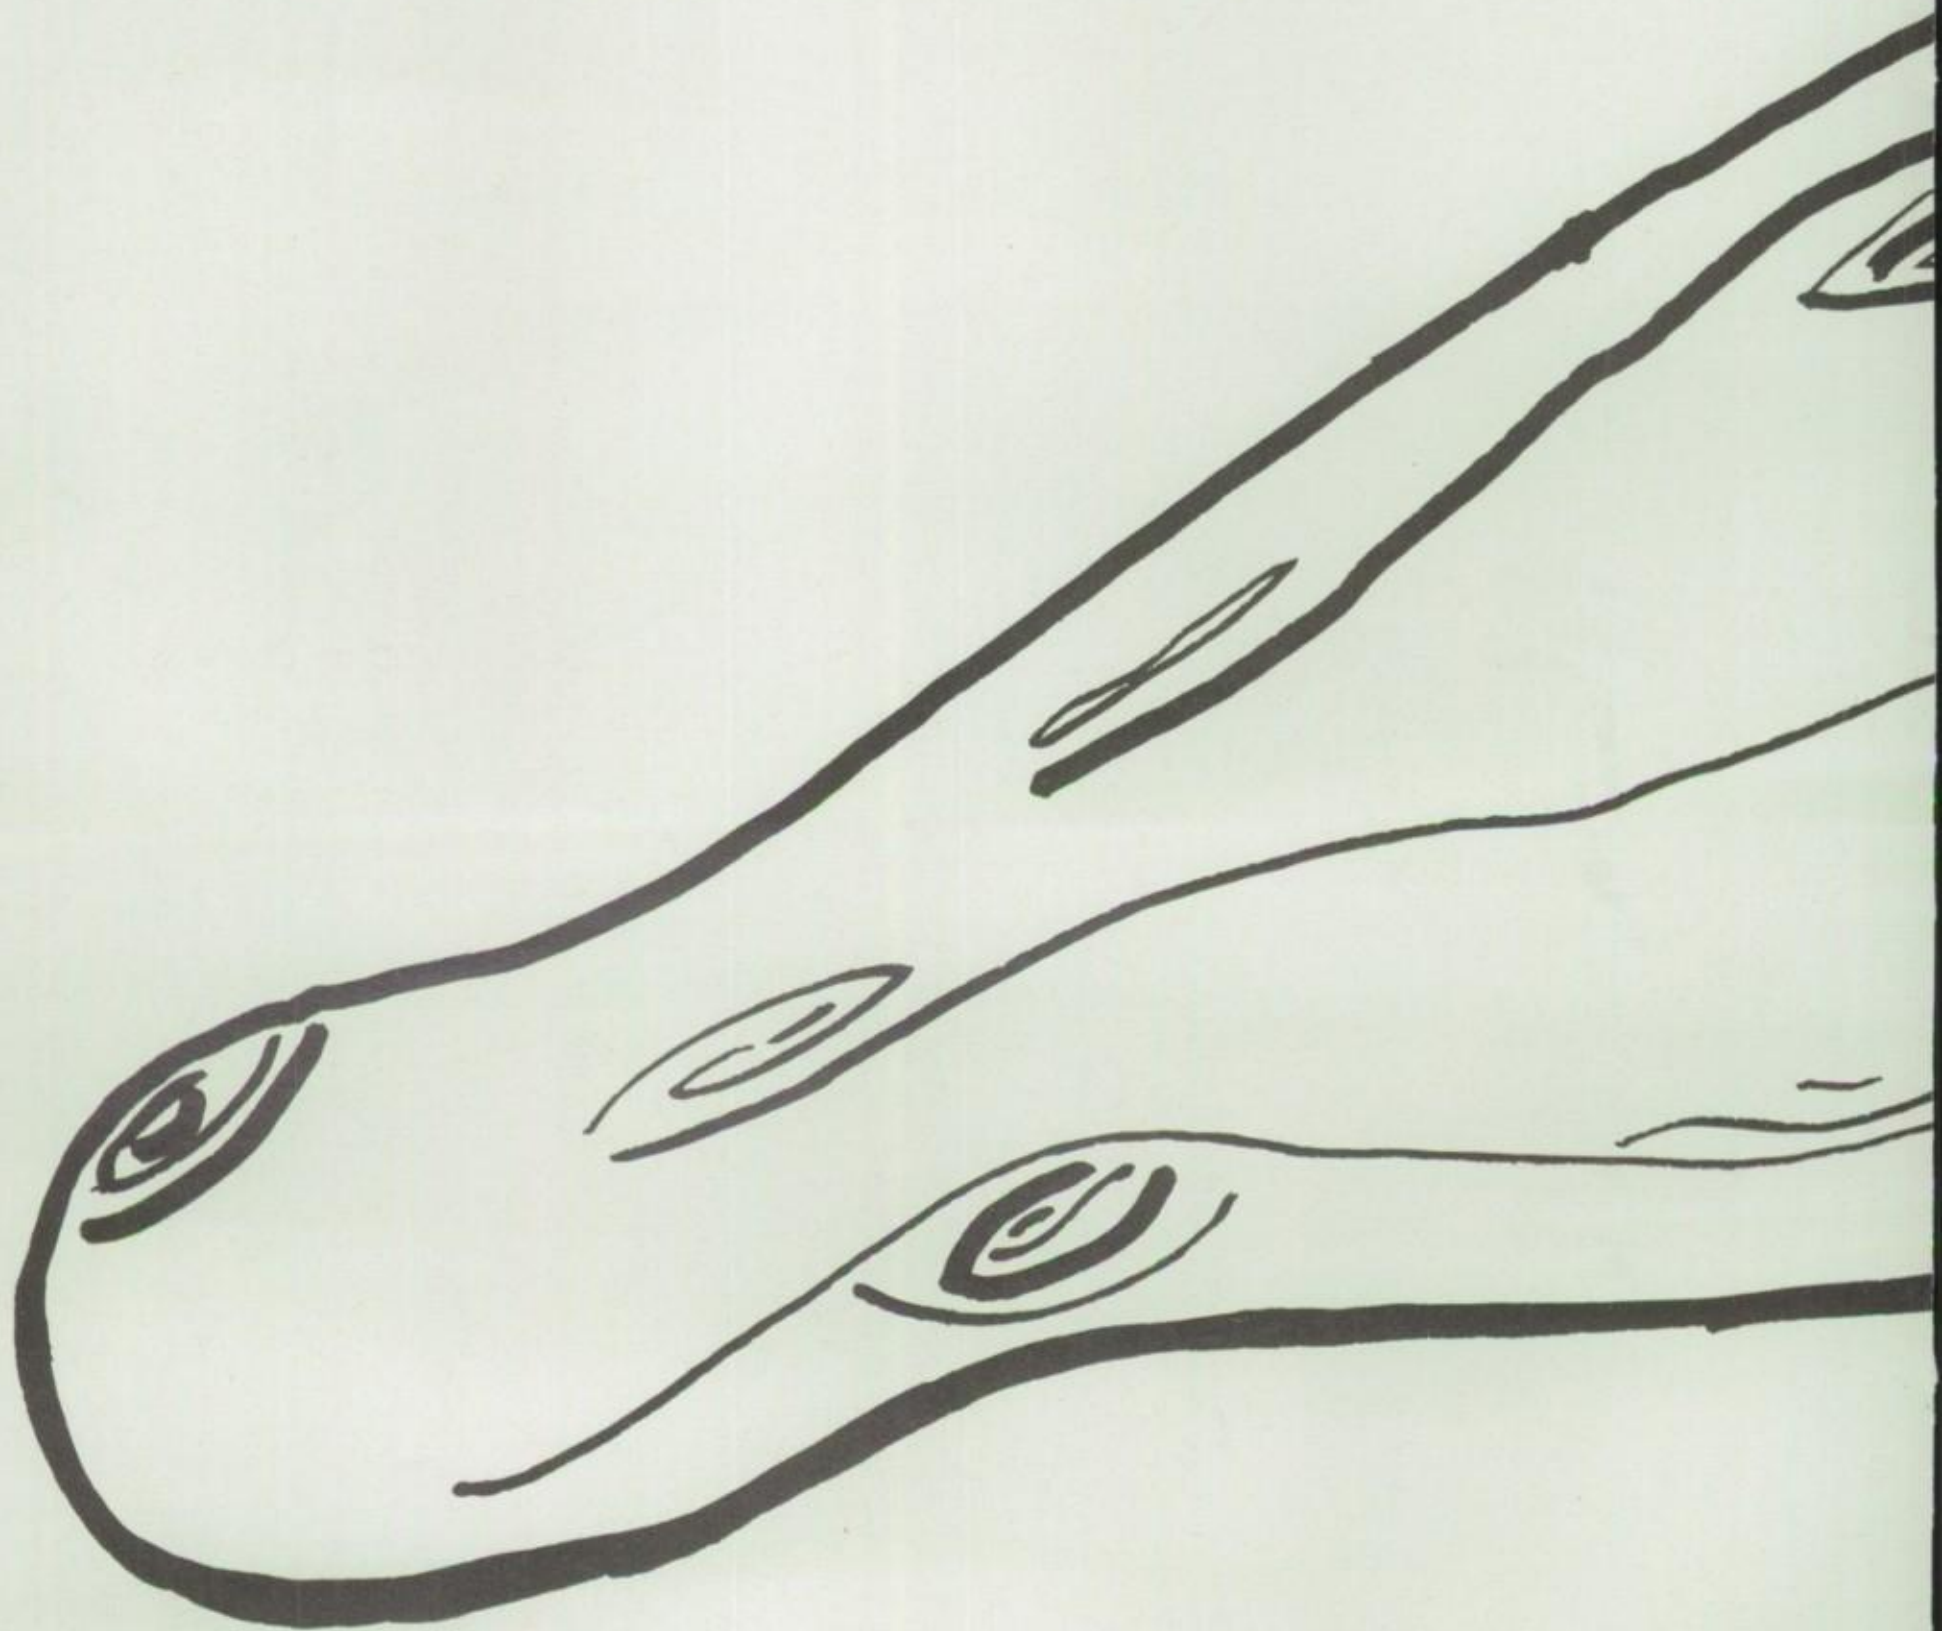

CLUB IT

CLUBS AND ORGANIZATIONS

A.S.B.

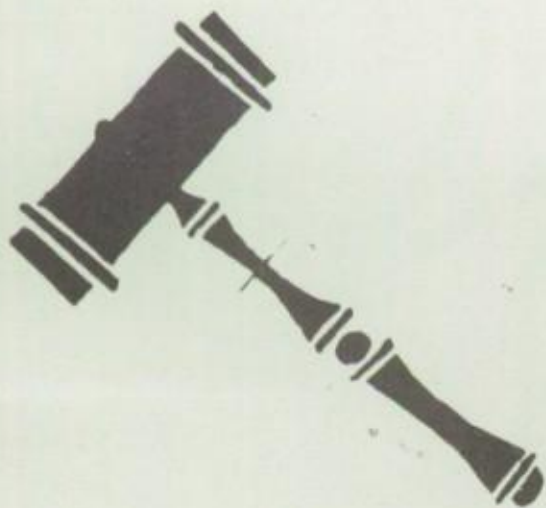

The Ramona High School A.S.B. has improved greatly over the previous year. The Ramona A.S.B. under the leadership of President Pat Stockalper, Vice-President John Shalleski and the cabinet has sought the path to "... MAKE THINGS HAPPEN ..." instead of "... LET THINGS HAPPEN ..." or "... ASK WHAT HAPPENED." Working with the Ramona Student Body and the Faculty, the ASB improved campus life considerably over the previous years.

Many changes linked to the ASB have occurred at Ramona High School this year. Noteworthy changes were as follows: A RHS Student Store; the First Annual Club Day (providing students with an opportunity to join a campus club); the First Annual Arm Wrestling Tournament (which attracted 500 students as observers); the Second Annual Nominating Convention (a system to select the next year's ASB cabinet); the First Annual Ramona High Renaissance Festival (which outdid every activity at RHS).

The ASB's success this year was a result of the efforts of one individual, the ASB Advisor, Jeff Holt.

TRAINERS

Under the watchful eyes of Bill Bevill, Head Trainer, and John Lynch, student trainer, the training department of Ramona High School has contributed to the physical well being of the athletes. This is the second year of the training program at RHS. Its success is evident in the many rehabilitated athletes who otherwise would not have had any knowledgeable medical attention and who could have sat out an entire playing season unnecessarily.

ANIMALS

The Animals and Animalettes were a large contributing factor to the development of spirit at RHS this year. Originally the Pep Club, these groups led cheering both at games and Pep Assemblies. Both groups were very active and they helped to build school spirit as well as morale.

John Shableski, head of the Animals, stated "This years Animal Club was formed to liven up school activities. We were accepted by the school as nuts willing to do anything to show RHS pride."

AND ANIMALETTES

DRILL TEAM

The 1980-81 Ramona High School Drill Team displayed the spirit and enthusiasm of this year by competing at summer camp, Disneyland, performing at Pep Assemblies, and at games half times.

Instructed by Linda Cunningham and under the leadership of team captains Sharon Temple, Dia Mason, Labelle Haeger, and Haley Salas, the RHS Drill Team worked hard to prepare for every performance. Indded from the very first, the Drill Team's dedication to presenting outstanding performances paid off by the winning of a first place at summer camp.

Throughout the year, the Drill Team continuously exhibited preparation and hard work by creating outstanding routines and building up both the spirit and enthusiasm of RHS. Not only proud of the Drill Team, RHS is glad the Team was a part of "IT."

FLAG CORPS

The 1980-81 Flag Corps members put in many hours of practice to produce outstanding routines which they performed at Football games, Basketball games, and Pep assemblies.

Flag Corps members were: Tracy Casteel, Judie Kugler, Jamie Dennis, Dianna James, Jenni Muro, Marie Elliot.

BAND

This year's RHS Band has not only increased in quantity but it has increased in quality. Under the direction of Mrs. Reed the band pushed itself towards excellence. It performed at Pep Assemblies, Football and Basketball games, concerts, and a music festival.

In the next few years RHS should see a growing band which will be able to compete against any band in the country.

CHOIR

Under the direction of Mrs. Allen, this year's RHS Concert Choir could be heard singing in harmony any time second period in room 1.

The Choir performed at several assemblies and concerts, doing very well. With support from the RHS student body the choir could become one of the highlights of RHS concerts and assemblies.

DRAMA CLUB

Fairly new to RHS, the Drama Club consisted of many members. The Club sponsored the "Rocky Horror Picture Show" dance as a fund-raiser and went to several plays throughout the year.

DANCE CLUB

The ever present sight of girls in Danskins at RHS exhibited the strength and popularity of the Dance Club. Under Mrs. Gelderts supervision RHS students created dance routines, participated in workshops, developed dancing skills, and astounded audiences with the best two dance concerts ever presented on our campus. Dedication and hard work are essential to dancing well and as anyone can testify, RHS Dance really deserves to be recognized for effort and achievement.

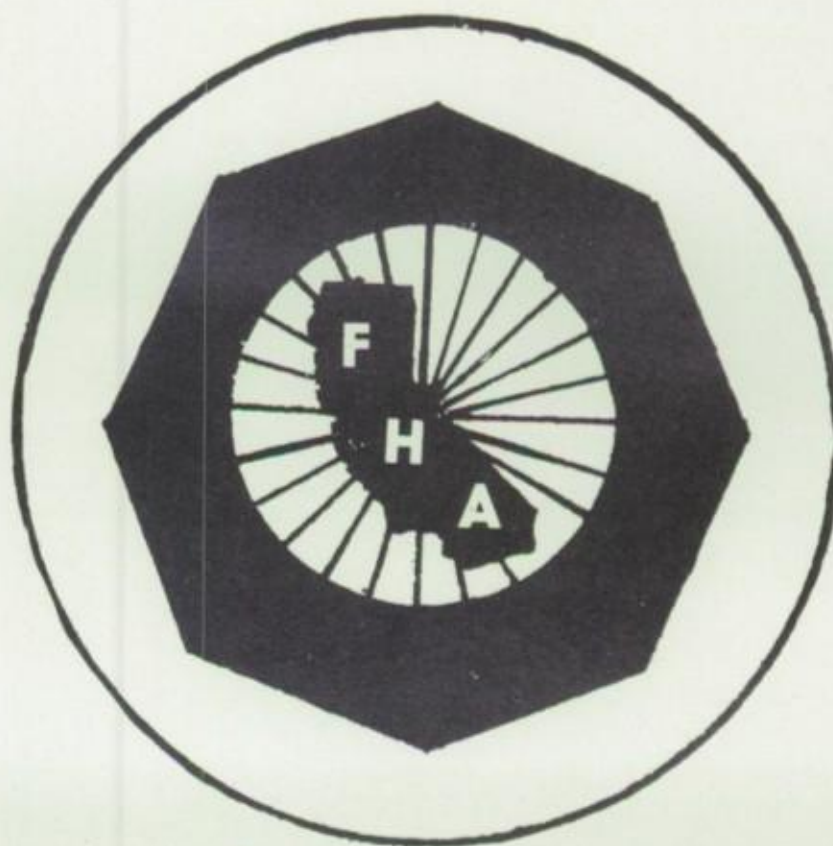

CSF

CSF (The California Scholarship Federation) is an academic organization on the RHS campus. To qualify, students must have at least 3 "A"s and a "B" in academic classes. The CSF advisor was Mr. Hill.

FHA

The FHA (Future Homemakers of America) was instructed and advised by Miss Barkalew. Members of FHA learned about living on their own and taking care of household business.

CHRISTIAN CLUB

"But as we have the same spirit of faith that is mentioned in the scripture - "I believed, and therefore I spoke" - we too believe and therefore we too speak, knowing that he who raised the Lord Jesus to life with Jesus in our turn, and put us by his side and you with us."

2 Corinthians 4:13.15

FFA

FFA (Future Farmers of America) grew into a large organization this year. With the goal of FFA being to further education in all areas of agriculture, club members, under advisors Joe Smith Alan Welsh, participated in many educational activities. These activities included FFA initiation, the raising and selling of FFA plants, and participation in several judging days and Southern California fairs.

CAMPUS LIFE

What was the newest, greatest, most fun group on campus? Campus Life, of course! Meetings, held at volunteers houses, began in the middle of the year. Virtually every Monday at 7:17 active RHS students would gather together and have just plain old fun. Those involved with Campus Life participated in activities such as pile ups, pyramid building, a spaghetti dinner, and a trip to the river. Campus Life meetings were an exciting part of the year and helped to make "It" the best ever.

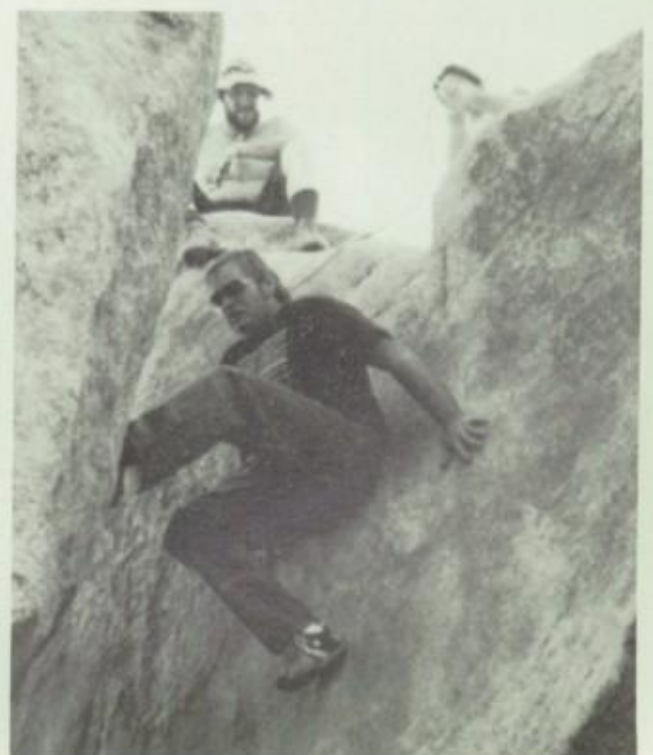

BACKPACKING

The Ramona Backpacking Club was formed to give students the opportunity to learn the skills necessary to enjoy and survive in the wilderness. The students will have opportunities to take the 10 week Basic Mountaineering Course offered by the Sierra Club, and/or expert enstruction by the Explorers division of the B.S.A.

The students will be able to take part in one day outings in the desert and mountains of San Diego County, and a longer one week outing in the Sier-ras during Easter or summer.

Advisors: Bob Nabours
Doug Knudson

SKI CLUB

The Ski Club saw quite a few new faces this year. With a large membership and many active participants the Ski Club was one of the most successful clubs on campus.

Under the supervision of Mike Jordon and Dan Matheny, Ski Club members went on several ski trips where experienced and novice skiers alike learned new skiing techniques and enjoyed themselves.

FOREIGN EXCHANGE

Foreign Exchange is a wonderful program because it allows students from foreign countries a chance to experience life in America and Americans a chance to learn about life in other countries. Always active in Foreign Exchange programs, RHS hosted 5 students from 4 different countries. We were very fortunate to have these visitors on our campus for they became friends and a welcome part of our student body.

Foreign Exchange students were:

Jan Ragnarsson	Sweden
Vibeke Philipsen	Denmark
Gunilla Darle	Sweden
Salvador Hepo	Mexico
Regina Godiney	Gutamala

NEWSPAPER STAFF

The 1981 Newspaper Staff were a group of dedicated individuals who produced an excellent newspaper. Under the direction of Mr. Bevill they kept the school informed and up to date.

YEARBOOK STAFF

The 1981 Yearbook Staff was a colorful group of ever working RHS students. Despite numerous problems, or rather, difficulties, the staff, which averaged 10 members, managed to produce a 268 pg. book and a 16pg. supplement. In order to do so staff members spent many long, exhausting hours after school and during weekends typing copy, creating layouts, and taking pictures.

The yearbook was not all work. There were fun times when the staff, in between deadlines, would take time for a birthday party, or a pizza. Or times during the El Ano Queen contest when Bob and Serg drove us to tears from laughter. Times that were memorable such as our trip to the yearbook plant for a tour of the works. The Yearbook was not all laughs either.

Serious times were times when film took 3 weeks to return to us from Dean's. Or when the District Office, due to an oversight, cancelled our dance the day before it was to be held. Times when everyone was sick or exhausted and we had 52 pgs. due. These serious times, however, are not what we prefer to remember.

The El Ano staff laughed and cried together. We had some rough times, but none of us would have given up the good times. We are proud of ourselves for keeping our tempers down and our chins up and especially proud that we were given the privilege of doing our best to create a memory; a yearbook.

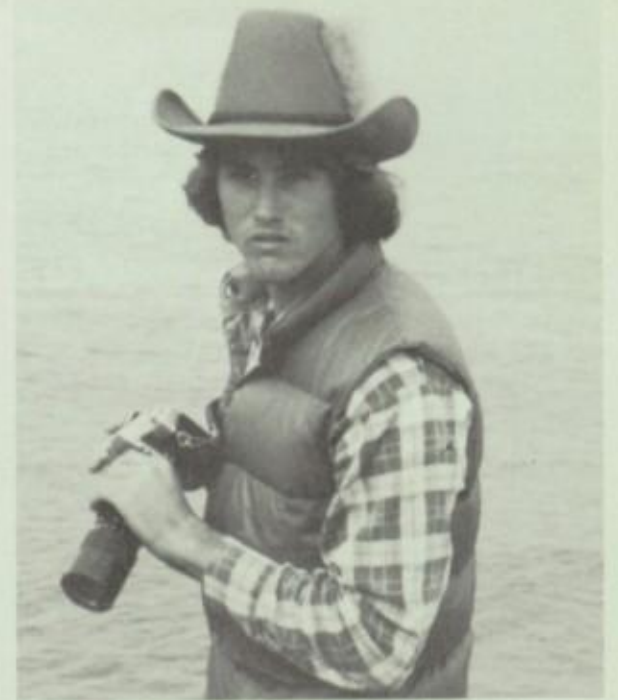

The staff would like to thank our source of inspiration Mrs. Ravy for without her there were times when some of us would have given up, the Yearbook Co. Rep. Ed Shoen, the community members who either helped create or helped finance this yearbook, Howard Johnston's for being so helpful with film, photography, developing, and the Ramona Sentinel which donated pictures. Our deepest appreciation must go, however, to the RHS student body, faculty, and staff for being so wonderful.

THE LIBRARY

Libraries are usually considered places to go in search of information or a book to read in spare time. The RHS library is teeming with more than just books though. The bright and sunny atmosphere as well as the charming, helpful attitude of the librarian, Mrs. Donahue, and her assistants, helped to create a warm and friendly place in which students could go not only for information, books, or peace and quiet, but could also go to examine the latest artwork or just to keep themselves dry.

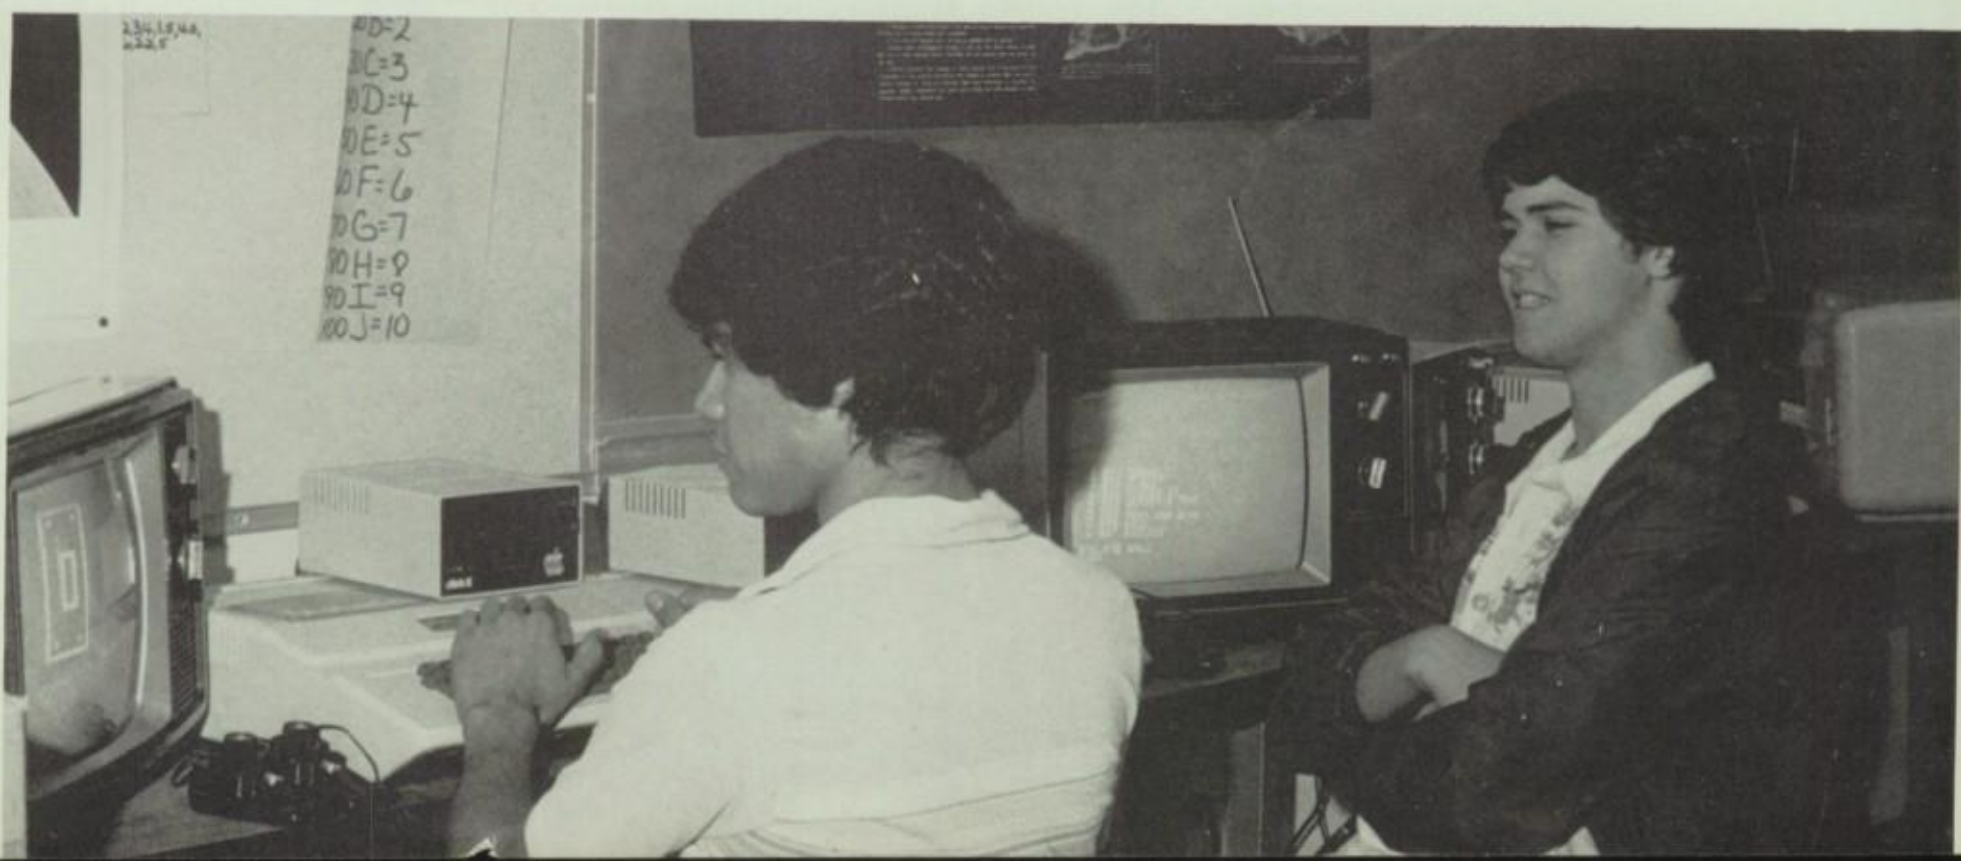

ROP

The ROP programs are very popular at RHS. Food Trades, Floral Design, Auto, and Building Trades are some ROP programs available. These programs are designed to teach students and community members skills which they can apply in the working world.

CREATE-IT ODDS AND ENDS

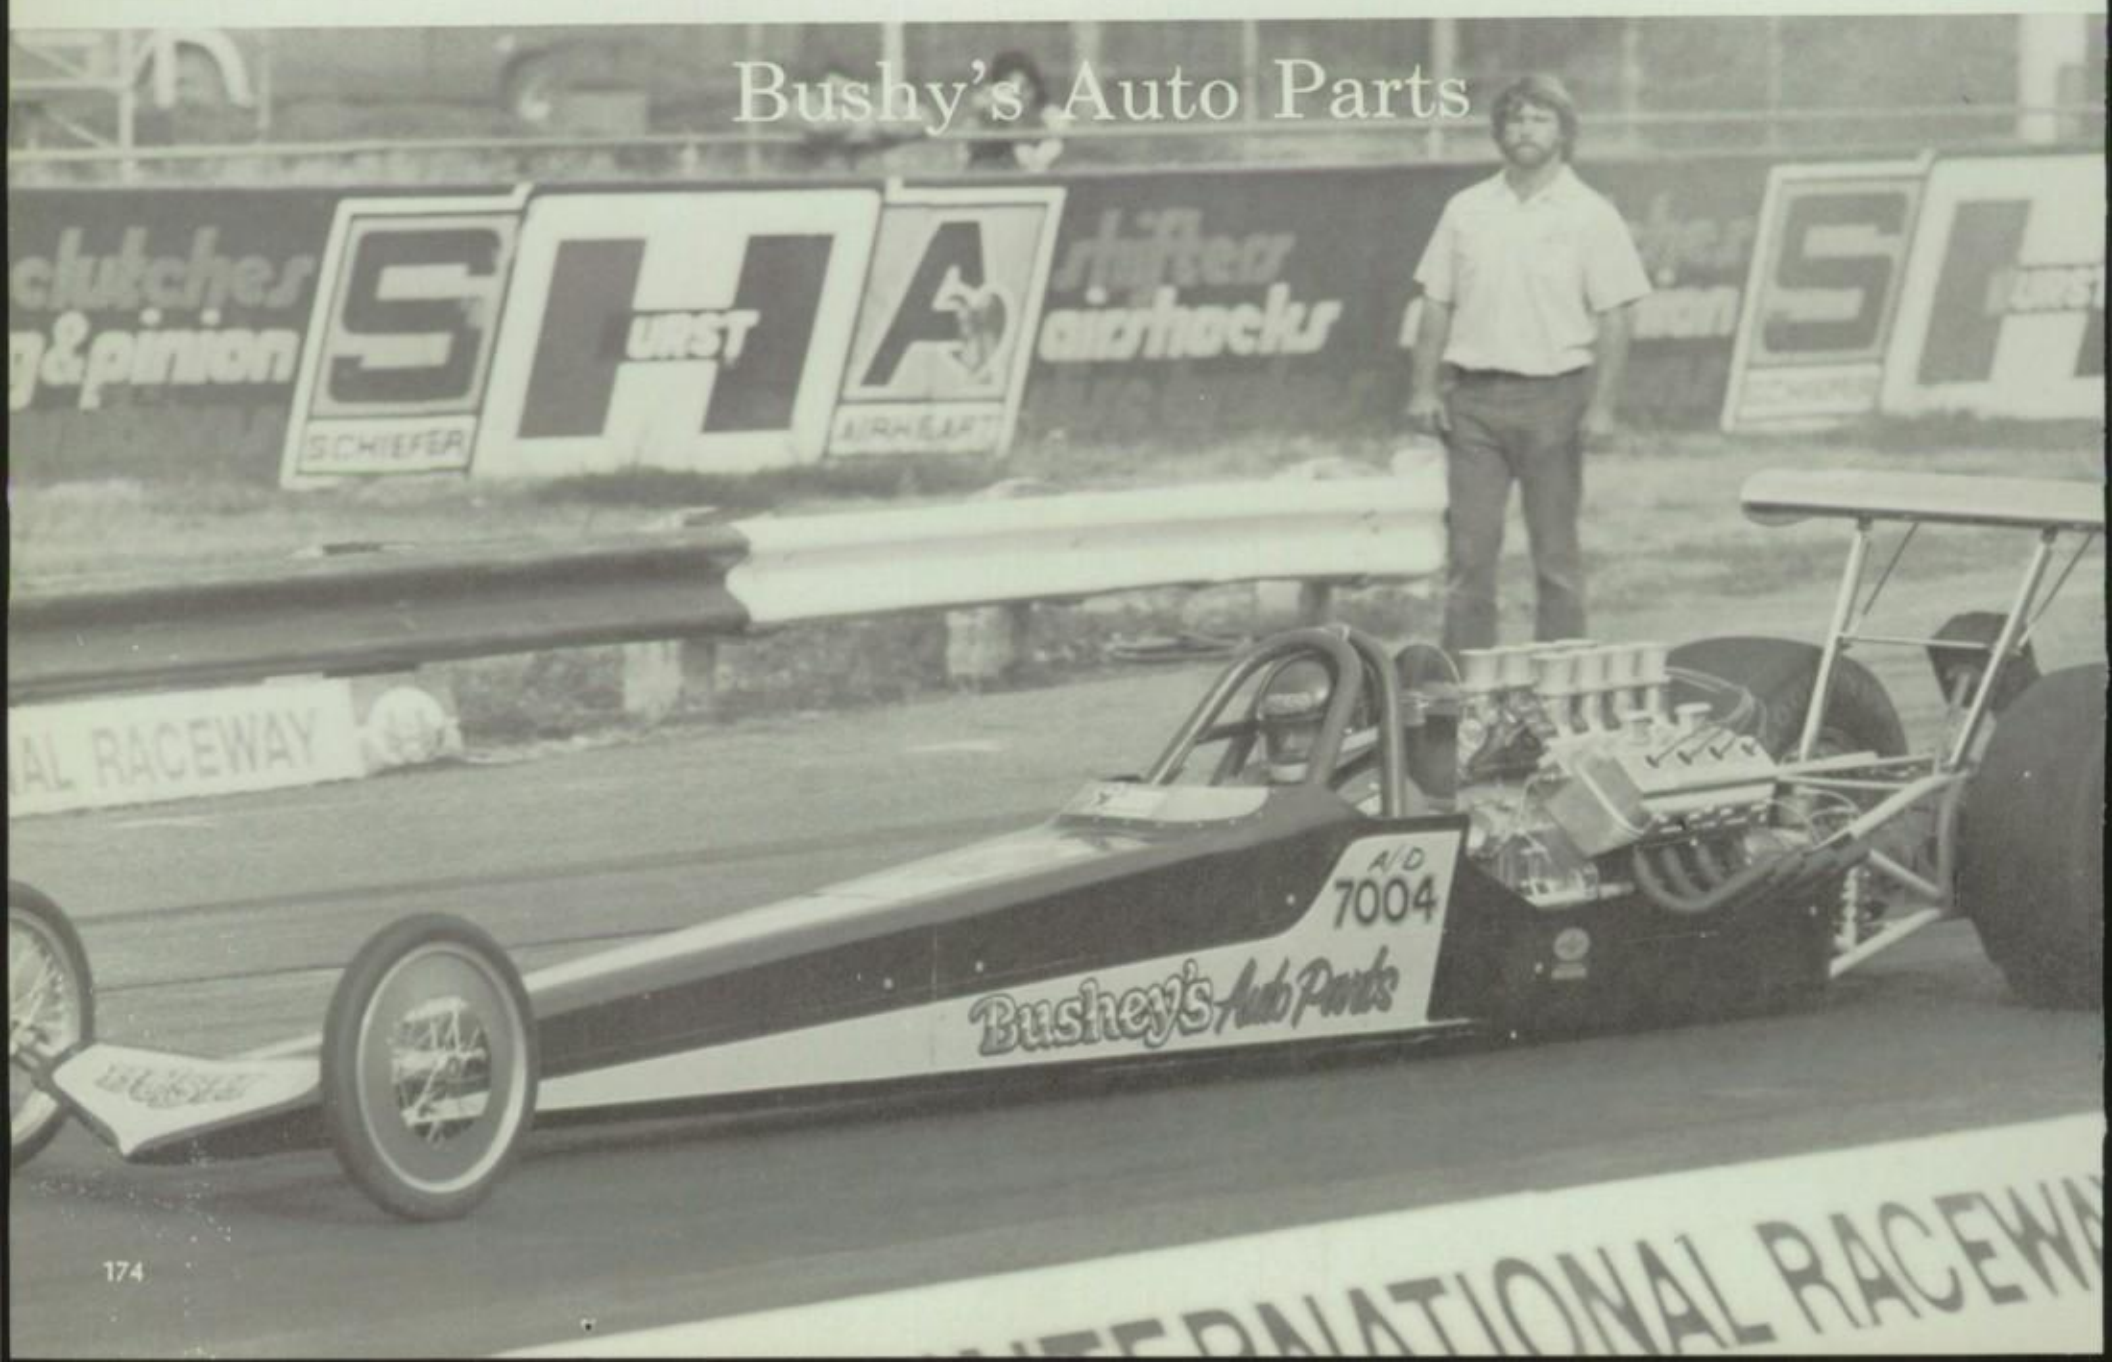

Hail to thee our alma mater,
Heed our parting call,
Shine your light on all our honor,
Never let us fall.
Ever faithful, true and loyal,
Loving the grand old "R".

Sad but Proud we are.

This is the beginning of a new day. God has given me this day to use as I will. I can waste it or use it for good. What I do today is important, because I'm exchanging a day of my life for it. When tomorrow comes, this day will be gone forever, leaving something I have traded for it. I want it be be gain, not loss; good, not evil; success, not failure; in order that I shall not regret the price I paid for it.

"TEACHERS' ALL"

Of teaching Thoreau was not too fond.
He much preferred his Walden Pond.

Walt Whitman felt so ill-at-ease
He quit and wrote the famous Leaves:

And Melville fled the teacher's desk,
Pursued the sea and Ahab's quest:

Why can't I give in like these
And write some splendid masterpiece?

Beau Dirt
(John Bowman)

TIMES

There are peaceful times...

Moments when across the sky
drifting clouds pattern into achingly beautiful sights
Days when the beauty
of snow filled country towns
complete with children laughing and birds chattering
thaw even the coldest frozen hearts.

There are quiet times...

Moments when reflections on water
cause a myriad of sweet dream thoughts...
Hours when the serenity
of ducks calmly swimming across a placid lake
causes deep inner rivers to flow.

There are beautiful times...

Moments when yearning desires in the heart
are filled by golden flaming sunsets
and starry, moonlight...
Seconds when an instant magnified
focuses and reforms to create an
Eternity of time.

DON'T QUIT

When things go wrong as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit . . .
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a fellow turns about
When he might have won had he stuck it out.
Don't give up though the pace seems slow . . .
You may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late when the night came down,
How close he was to the golden crown.

Success is failure inside out . . .
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so afar;
So stick to the fight when you're hardest hit . . .
It's when things seem worst that you mustn't quit.

THE PUPPET

I dance to their music
I dance to their beat
I feel like a puppet
with strings on my feet.

I'm tired of pleasing

I'll put down these strings

I know it will be hard
but that's the way it must be
I have to find someone
who likes me for me.

Silence ...
For a short eternity
Blackness void of everything
Then suddenly like a volume just turned up
You hear a sound and jump
You strain your ears
And realize its your heart you hear
The drumming of which increases speed
As each second moves with turtle velocity
Sweating, clothes stick like glue
Yet you dare not move
For fear you will not hear
The sound for which you strain your ears
And then like the beginning of a bad dream
You hear a shot and then a scream. ©

FRIENDSHIP

A close friendship is two people seeking to know each other.

One of the qualities of true friendship is to understand and to be understood. To understand is to share in your friends' emotions, joys, and sorrows. To be understood the friend is near in your moments of sunshine and sorrow.

In the relationship of friends there is loyalty, trust, and truth. If one of these factors is lacking your ship is marooned on an island and can never sail.

Friendship requires giving of your time which also involves giving part of yourself. You release a part of yourself everytime you express your ambitions, hopes, and inner thoughts with your friend.

Smiles bring people together and shows awareness of others. A smile cost the giver nothing, but makes the receiver richer and each is blessed with a new friend. So if you see someone without a smile, give them one of yours.

Thought for the day: To make the world a friendly place, one must show a friendly face.

Where Are You Dad?

When I was a baby
And you were my daddy
Did you ever really
Want to have me?

If your answer is yes
Why is it so,
You divorced mom
And let me go?

Years have went on
And mom met a mate,
A guy she knew,
From past up to date.

Finally she married
This mate from her past.
Supposably happy
Threw out the years that last.

Now I'm in my teens
Wanting to know who you are.
Dying to meet you wether
You are near or far.

You, the man who
Brought me into the world
I wish someday you'll come to see
Your little girl.

Daddy, I've never known you
But I'll be yours until I'm old.
Please try and contact me
Before someone takes over my soul.

Please come and see me
I love you dad.
I am sure we'll
Both be glad.

FACES

One night he dreamed that he was in a crowd and someone recognized him as the President, and explained in surprise, "He is a very common-looking man." Where upon he replied, "Friend, the Lord prefers common-looking people. That is the reason he makes so many of them."

Abe Lincoln

Let me take you to a boat on a river
Flowing ever forward, rolling ever on.
Free yourself of troubles and be gone.
Wish upon a star, there you are,
Dream of a reality, fantasy, reality
Make truth out of lies of truth.
Think only of that which flows free,
Force no thought, dry none up
Let them come and be gone
Let them live once and continue on
Sparkling like dew drops in the sun.
Let the shining become enlightening,
The truth of reality is blinding
Fire burns within to come along,
To go with me never to return
To focus on nothing so all shows clear
To continue living, dreaming, being,
Only a river of pure thought and feeling
Touching everything and anything
With the love your warmth is bringing
Flow out and up and forward
Be free, let chains be vanished.
You will find the only prisons
Are those walls within your mind.

by Cinthia Lynn Toth

THE DOOR TO PARADISE

It is an accepted fact that human mind is a marvelous thing. It has set man above all other animals and made him ruler of this planet. However, in this hustling bustling world, the average man has lost all significance as an individual. He is no longer a unique personality but merely a statistic, a number in a book. He leaves no impression on the Earth once he is gone. He is here for only a fleeting instant in the realm of eternity. Naturally man will try to seek some sort of escape or refuge from this tumbled, bored world in which he is physically imprisoned. Some forms of escape are; suicide, drinking, insanity, and one of the most common, daydreaming. Let me take this moment to define insanity in its true sense. It is nothing more than a prolonged daydream with an extended unawakening.

We will now look in on an average student. We find him at his desk half listening to the fan and teacher as they drone on and on six periods a day, five days a week, year after year. The room is uncommonly warm and its only Monday.

He yawns a silent "Oh this is boring" his mind becomes idle and begins to wander. Suddenly he visualizes a door. First it very vague and then it becomes more real; it has a big brass door Knob. The clearness of it shocks him back to reality, and he tries to think about something else. But the door seems to haunt him and without realizing it he is again concentrating on the door. He wonders what is beyond the door and this new thought inspires him to try to open it. With little effort he conjures up his own image and walks boldly up to the huge door. He takes a good grip and with all his strength he pulls on the door. It doesn't budge an inch. He tries again and again, and then finally the door gives a little. With all his strength he finally budes it an inch. It creaks with the sound of rusty hinges.

A ray of golden light pours through the crack. A wonderful fragrance fills his nostrils. This seems to give him a new strength and he pulls with every fiber in his being. The door opened about three feet and he immediately rushed in.

The sight that filled his eyes was that of untold beauty. There were big shady trees, fields of wild roses, and a brook flowing lazily off into the distance. Everything was bright and cool. There was a big white frothy cloud in the light blue sky; it was a regular Garden Of Eden.

He lay there in the soft green grass on the banks of the little brook; he slowly ate a shiny big red apple.

Suddenly, as if out of nowhere he heard a banging. The noise steadily increased. It was the door! It was coming from the door! It was coming from the door!

He quickly ran to the huge opening. There was someone outside trying to get in. Then he heard the voice. It was his teacher. He was shouting, "Come out, come out of there!" Schools over. Its time to go home! Have you gone mad?!

No, no he was not mad, he thought to himself, this was his home. They were the ones who were crazy, all of them. He was the only sane one left, they would not get him! He ignored the shouts turning and slowly walking away from the door. The pounding slowly faded in to oblivion as he slowly walked off into the distant shadows.
